

Dear Investor,

It is more than a year since we launched our software. We have received tremendous response for our software and users are curious about our next version of the product. We have launched an updated version of the software recently with wonderful features (Please see the list below and latest help documents)

Also, we've opened an office in India and now you can call anytime in case you've any queries or concerns or to purchase. (India: 09593802450, 09609909633 E-mail > wecare@iguidestocks.com)

We'll continue to provide discounted price till end of February, 2010. Discounted price as follows

Product	Listed Pricelist	Your Price
IGS India (Advanced) Monthly	\$ 9.99 or Rs 475	\$ 6.99 or Rs 332
IGS India (Advanced) Quarterly with one month free	\$ 29.99 or Rs 1425	\$ 19.99 or Rs 950
